OFFICIAL TOURNAMENT RULES AND ELIGIBILITY REQUIREMENTS

I. A. Bowlers must be current members of the National Duckpin Bowling Congress.

B. Dudek Tournament entrance average will be:

1. 2025-2026 Composite Average of all NDBC sanctioned league and tournament games bowled (45 games or more).
2. If above does not apply, then the 2025-2026 Dudek Lanes Tournament season average will be used (20 games or more).
3. If above does not apply, then 2026 highest sanctioned adult summer league or tournaleague average will be used (21 games or more). Proof of average is mandatory.
4. If above does not apply, then 2025-2026 New England Tournament Series average will be used (20 games or more). Proof of average is mandatory.
5. If above does not apply, then 2025-2026 Connecticut Tournament Series average will be used (20 games or more). Proof of average is mandatory.
6. If above does not apply, then highest 2025-2026 non-sanctioned league average will be used (21 games or more), provided that league was bowled in an NDBC certified bowling center.
7. If above does not apply, then 2024-2025 Composite Average of all NDBC sanctioned league and tournament games bowled will be used (45 games or more).
8. If above does not apply, then highest 2026-2027 sanctioned adult winter league average will be used (21 games or more). Proof of average is mandatory.
9. If above does not apply, then the bowler will use his/her highest 2026-2027 RI or CT "Tournament Series" average (20 games or more). Proof of average is mandatory.
10. If above does not apply, then highest 2026-2027 non-sanctioned league average will be used (21 games or more), provided that league was bowled in an NDBC certified bowling center.
11. Bowlers using an NDYA average will use their 2025-2026 composite average of all NDYA games (21 games or more). Once the bowler establishes an adult sanctioned average (21 games in a 2026-2027 sanctioned league or 20 games in a tournament "series") he/she uses the highest established average (either NDYA or NDBC). Proof of average is mandatory.
12. If above does not apply, then the bowler bowls scratch (160 average).

C. Non-sanctioned bowlers may bowl upon payment of membership fee.

II. Bowlers who roll 20 games or more during the 2026-2027 Dudek Tournament Season and average more than their 2026-2027 entrance average determined by Rule I. B. will have their average re-rated upwards by 1/2 the difference, with all fractions rounded down.

III. Presenting a true average is the responsibility of the bowler.

IV. Bowler must pay entry fee in advance of beginning any event.

V. Bowlers may re-enter multiple times in each regular season event and cash as many times as they enter, but can cash only once in the guaranteed prize list.

VI. A bowler qualifies for the Dudek Tournament End-of Season Playoffs by finishing in the regular prize list in any Dudek Tournament Event. A bowler can qualify for the End-of Season Playoffs once during the season. If a bowler cashes more than once during the season, then qualifying spots will be given to bowlers who have yet to qualify for the End-of Season Playoffs based on order of finish in each event. If there is a tie for the last qualifying spot in an event, then all bowlers tied for that spot will be allowed to bowl in the Dudek Tournament End-of Season Playoffs.

VII. A bowler must bowl at least 20 Dudek Tournament games in order to retain their spot in the End-of Season Playoffs. If a bowler fails to satisfy this requirement, then that bowler will lose his or her spot in the playoffs. Any spot forfeited because of this rule will not be replaced.

VIII. All previous RIDBPA Tournament Series Finals Champions and Dudek End-of-Season Playoff Champions will receive an automatic spot in the 2027 Dudek Tournament End-of-Season Playoffs provided they satisfy the requirement outlined in Rule VII.

IX. Handicap for all single-division events will be 80% based on 160 average limit.

X. Total pinfall plus handicap determines order of finish. In each Dudek Tournament Event, all games rolled in that event must be counted when determining order of finish.

XI. Questions not covered by the above rules will be governed by NDBC.
